ANNOUNCEMENTS

BREED THEATER.

Miss Norma Beaux Scores Big Hit in High Class Songs.

Last evening Mess Norma Beaux, singer of high class songs, made her debut to a Norwich audience, and, judging from the reception she received, she is one hig hit from the start. She is a young lady of charming appearance and personality, singing only refined songs, and featuring only the very latest in popular Mustrated songs. The natural richness of her voice was most delightful in the concert number, What is Life to Me? and she was recalled again and again. As cert number. What is tife to Me? and she was recalled again and again. As an illinstrated song, she has chosen the one entitled Pony Boy, and her manner of rendering it being so novel the audience was louth to have her leave the stage.

In the motion picture line, the great feature. The Orange Grower's Daughter, proved to be only one in the long list of feature pictures, as the applause had scarcely died away when the big micture. A Drive for a Life,

As soon as Mr. Blever heard what the trouble was, he jumped from the automobile, tied a piece of cloth tightly around the arm above the bite and twisted it tightly so that the poisoned blood would not flow into the system. The ladies who were in the automobile got out, and the man was lifted into the machine, and with four men holding him, for he was fighting and yelling all the time, the run to Ridgefield, five miles away, was made in about ten minutes. A surgeon from the Danbury hospital was encountered, and he lanced the man's arm, leating out the blood. Mr. Elever waited until the injuries were dressed and became very large.

BABIES' HOSPITAL

Beginning Its Third Successful Year in

The babies' hospital established at the corner of Vine and Mather streets, Hartfood, is entering on its third year of usefulnass. The removal from Riverside park, where the hospital has dene such good work for two years, is of distinct advantage, the land which James J. Goodwin has placed at the disposal office committee being higher, drier, more airy, more secluded and therefore quieter, and it is free from mosquiroes and other pests.

of Milford, has brought suit against the town of Huntington for \$10,000 for the failure on the part of the town to live up to a contract entered into between the two parties a Bridge tween the two parties, a Bridgeport paper says. In August, 1967, J. A. I unn & Co. contracted to bulld a school for Huntington for \$28,801. Subsequent to the making of the contract the town ordered additions to the school to the amount of \$317,18. contract the town ordered additions to the school to the amount of \$317.18, making the total contract \$24,118.80. The town now refuses to pay more than \$18.000 for the school, the com-

pany suing to recover the rest.

This looks like something peculiar
to those who do not know the true status of the matter, but is regarded by the committee who had charge of the building of the school with something like amusement, mingled with indignation it is looked upon by the committee as a "spite" suit brought amply to create trouble and a wrong the committee's work. About forty-five members of the Swedish Lutheran church of Deep River surprised their new pastor, the Rev. F. C. Fjorkman, by making him a pleasant call. Coffee, cake and icc cream were served and a social time was spent. At the conclusion of the evening Gustave Fjellman, a student of Upsala college, who is visiting his sister, Mrs. John L. Peterson, in Deep River, made an interesting speech and presented Rev. J. C. Fjorkman a purse of money in behalf of the visitors.

Men past middle life have found comfort and relief in Foley's Kidney Remedy, especially for enlarged prostate gland, which is very common among elderly men. L. E. On account of his age we were afraid he could not stand it and I recommended Foley's Kidney Remedy, and the first bottle relieved him, and after taking the second bottle he was no longer troubled with this complaint."
